

ENERGY STAR® PORTFOLIO MANAGER® WORKSHOPS

For City of Portland's Energy Performance Reporting Requirements

Do you own or manage a commercial building over 20,000 square feet? The City of Portland's energy performance reporting requirements for 2016 are due April 22, 2017.

Attend these free workshops and get expert, one-on-one assistance navigating ENERGY STAR® Portfolio Manager® to report your data and improve your score.

Portfolio Manager® Workshops

February 7 or 23, March 7 or 21, or April 11
8 a.m. to noon

How you will benefit:

- Understand the requirements for benchmarking and how you benefit.
- Learn how to get aggregated data from your utility.
- Create an account with EPA's ENERGY STAR Portfolio Manager online tool.
- Get expert training on reporting your data to the City of Portland using Portfolio Manager.
- Discover resources to improve your score.

Need more help before the deadline? Attend a drop-in session: April 11 or 18, 1 to 3 p.m.

Improve Your Score Workshops

March 16 or October 5, 8 a.m. to noon

How you will benefit:

- Understand your Portfolio Manager score and how it compares to other buildings.
- Verify data completeness and accuracy.
- Use data to identify projects in your facility.
- Track and communicate your performance.
- Connect with resources to improve your performance.
